MEMORANDUM FOR: Director, Photographic Intelligence Center

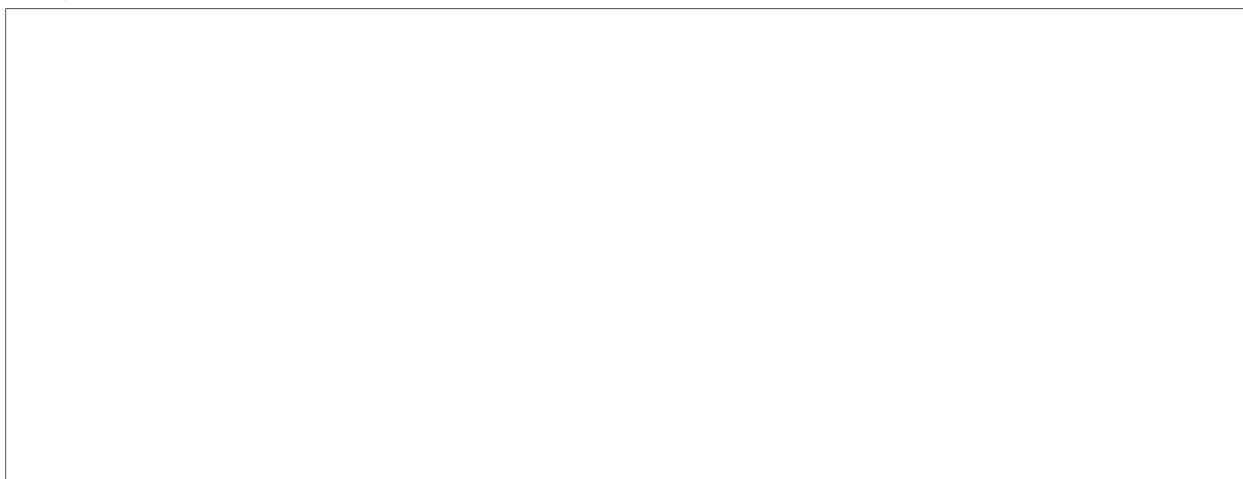

SUBJECT: Crick Committee Report

1. The Crick Committee Meeting was attended on the 10th of August. A quick resume was given to them on the latest mission. The graphics were brought out and some discussion ensued on the graphics with special attention to the SAM sites.

2. The second Crick Committee Meeting attended was on Thursday, 13 August. At this meeting it was mentioned that:

a. In about one month [redacted] will have made up their minds as to what old coverage they desire. They stated that their request should not consist of more than six missions with a Dupe Positive and Dupe Negative of each mission.
